Looks fine to me. Not sure if you wish to add anything following today's organizing call. Here is what I am putting into today's end-of-day report for my office on today's call.

**Rep. Nancy Pelosi (D-CA-12):** An organizing call was held today with Agencies participating in the upcoming Tuesday, July 31, 2018 briefing and field tour of the Hunters Point Naval Shipyard. Participants included the Navy, EPA, CDPH, and OCII. The July 31, 2018 briefing and field tour will be from 10:00am – 12:00pm. In addition to Leader Pelosi, San Francisco Mayor London Breed has confirmed and they are awaiting confirmation for Supervisor Malia Cohen. The discussed the briefing location and that Leader Pelosi, Mayor London Breed, and Supervisor Malia Cohen, if confirmed, would make some opening remarks, followed by 5-minute presentations from each of the Agency representatives as well as some community representatives. This would be followed by a bus tour of parcel A and parcel G. They discussed a press availability for elected officials. Expected participants from EPA Region 9 include Regional Administrator Mike Stoker, Chief of Staff Amy Miller, Superfund Division Director Enrique Manzanilla and Superfund's Angeles Herrera and John Chesnutt.

Dear Brent and Jackie,

Here is a draft of weekly item for your review:

Congresswoman Pelosi tour Hunters Point Superfund site July 31 – House Minority Leader Congresswoman Nancy Pelosi (D-CA) requested a briefing and tour of the Hunters Point Naval Shipyard Superfund site July 31. She asked to focus on

retesting of previous Tetra Tech EC Inc. radiological work. The Navy is the lead on the investigation and cleanup and will lead the briefing and tour. The EPA Region 9 Regional Administrator Mike Stoker and Region 9 Superfund Division Director Enrique Manzanilla will attend. (Brent Maier 7-4256, Lily Lee 7-4187)

I didn't include Parcel A and the 7/26 HOA mtg bc we told him about that last wk.
